

## Cubie and SureSafe Series Mini Lightbars

Wolo Cubie and Sure Safe series mini lightbars offer compact size with lightweight polycarbonate construction.

These lightbars are designed and built for professional applications and are perfect for rack and roof mounting. They come ready to use and can be easily converted to permanent mount with an optional kit.

Their sleek slim line design makes them unobtrusive and each lightbar comes with multiple flash patterns controlled by the lighter plug.

All lightbars are SAE J845 Class 2 approved, IP rated and compliant with E10.
