

Wolo Lookout Series Lightbars

Wolo Lookout series lightbars are designed and built for professional applications. Their low profile design makes them unobtrusive and each lightbar comes with multiple flash patterns and all mounting hardware.

The aluminum body, durable construction and high output LED's make them perfect for demanding applications and commercial use.

The 48" 7900 Lookout comes with 15 light patterns, 3 traffic advisory patterns, take down light and alley lights. The 53" 7950 Lookout Plus comes with 15 light patterns, 3 traffic advisory patterns, front and rear facing work lights, and rear facing brake lights.
